A message from Stine...

Thank you for taking the time to learn more about The Giles Trust. When I founded the charity, it was driven by a deeply personal experience and a determination to make a difference for others facing the challenges of a brain tumour diagnosis. Today, as we continue to grow as an independent charity, that mission remains exactly the same.

Every partnership we build helps us move one step closer to improving awareness, supporting pioneering research, and creating hope for individuals and families affected by brain tumours. We simply couldn't do that without the generosity of people and organisations who choose to stand alongside us.

By becoming a Founding Partner, you're not just supporting a charity, you're becoming part of a community committed to making a lasting difference.

On behalf of everyone at The Giles Trust, thank you for considering becoming part of our story. Together, we can help create a future filled with greater understanding, better treatments, and more hope for those who need it most.

The packages

£2,500

Founding Supporter Package

Every great charity is built on people and organisations who believe in its mission from the very beginning. As a Founding Supporter of The Giles Trust, your business will help us take the next step in our journey as an independent charity, supporting vital brain tumour research, raising awareness, and bringing hope to countless individuals and families affected by brain tumours.

£5,000

Founding Partner Package

Become one of just 15 Founding Partners helping shape the future of The Giles Trust. Your support will help raise awareness, advance brain tumour research, and create lasting impact, while giving your organisation the opportunity to be recognised as a valued partner in our mission.

£10,000

Principal Founding Partner Package

Principal Founding Partner status is reserved for a select group of organisations committed to making a transformational difference. As one of only five Principal Founding Partners, your business will become a leading ambassador for The Giles Trust, working alongside us to raise awareness, support life-changing brain tumour research, and help shape the future of the charity through a long-term strategic partnership.

Please read on to see what is included in each supporter & partner package.
